The Search For A New Beginning!

Be who you must
that's part of the plan
await your arrival
with simple survival
and one day we'll all
understand.

Dan Fogelberg

Making friends
for the world to see
Let the people know
you've got what you need
with a friend at hand,
you will see the light
When your friends are there,
then everything's alright.

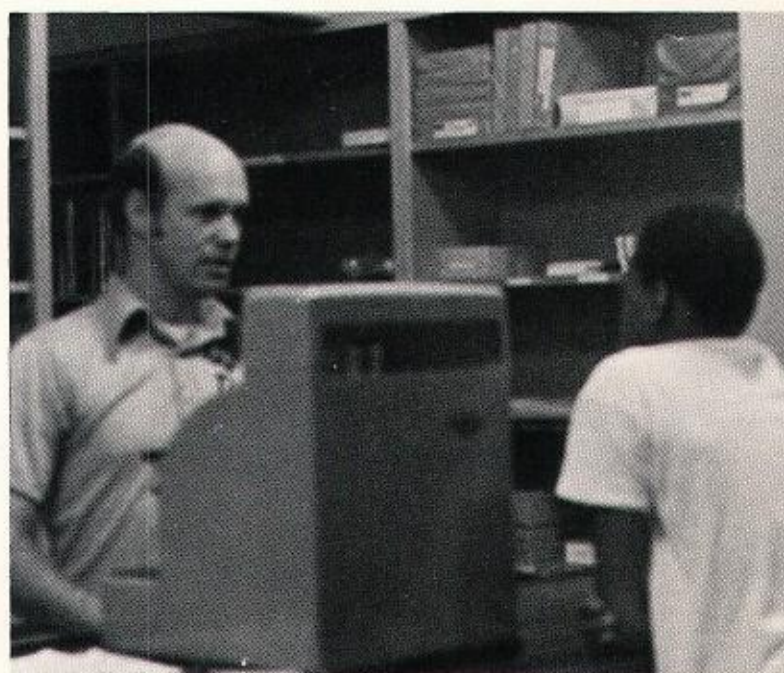

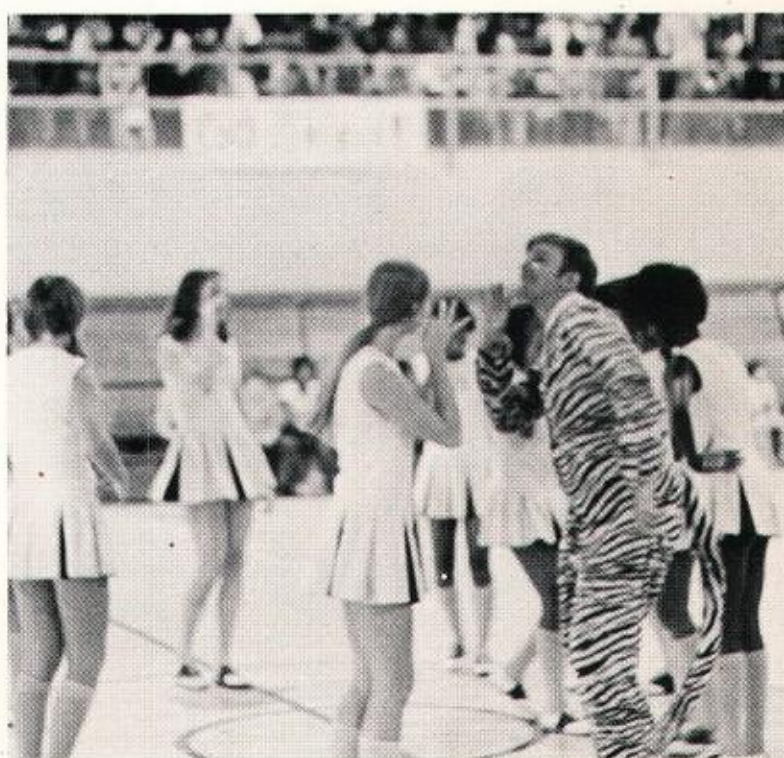

Elton John

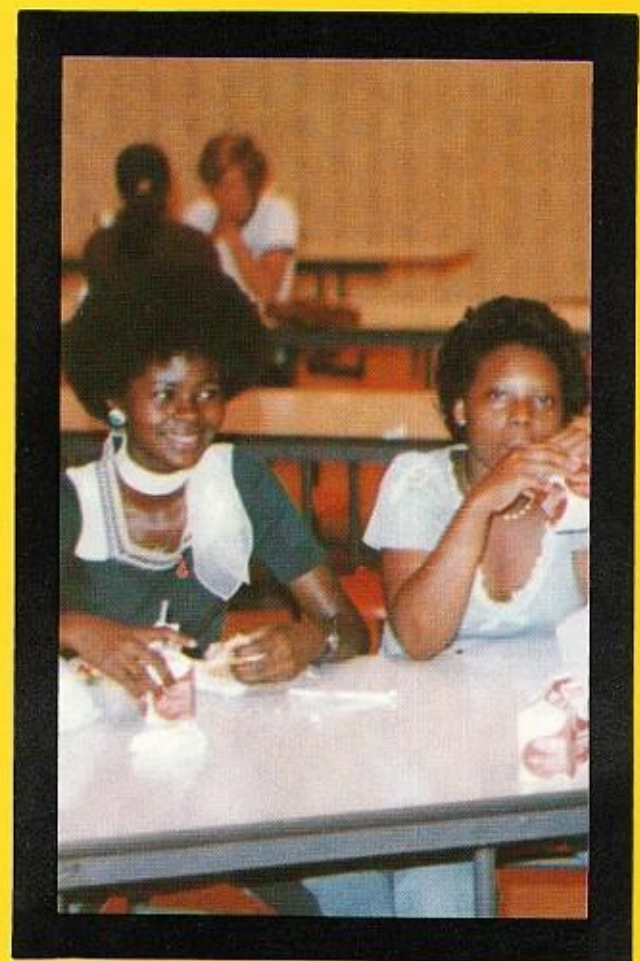

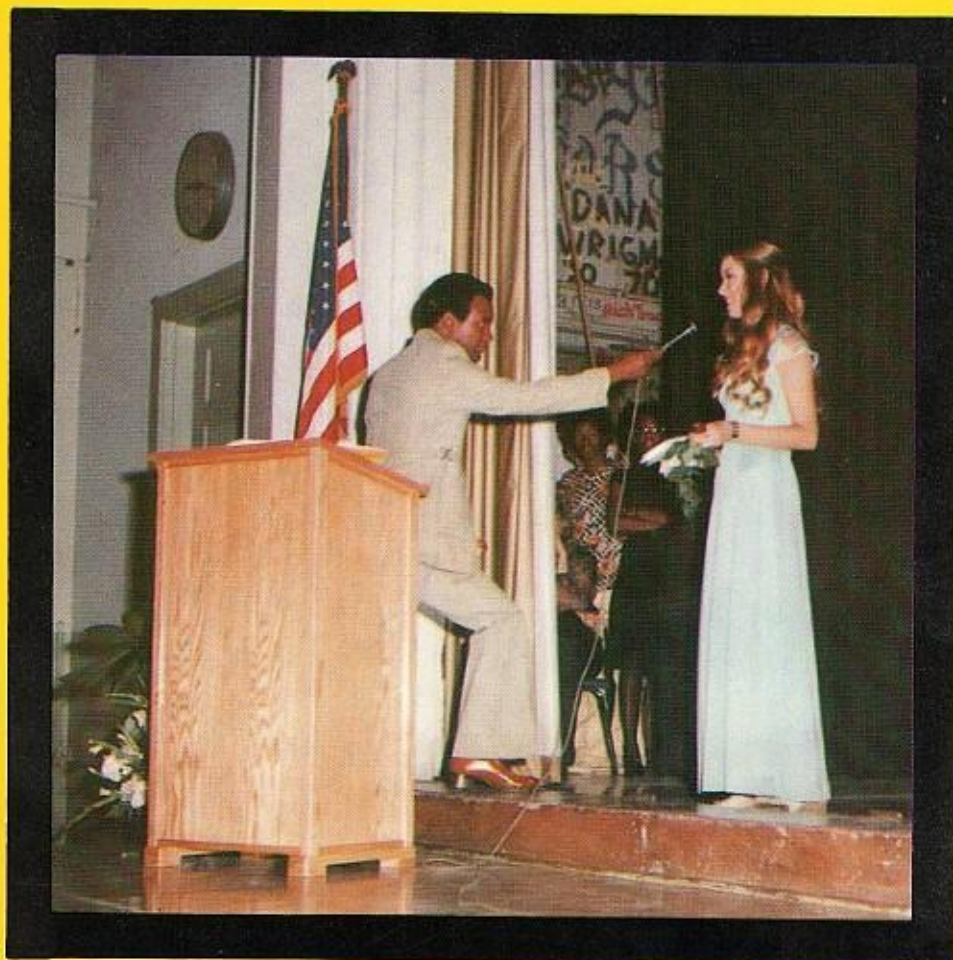

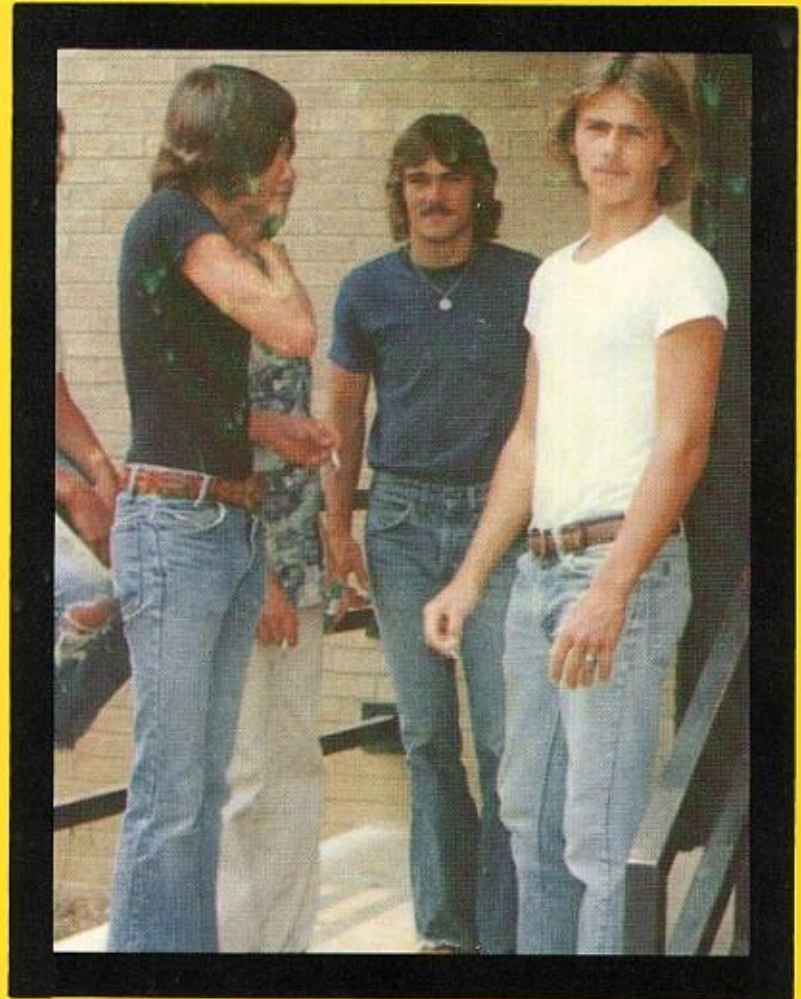

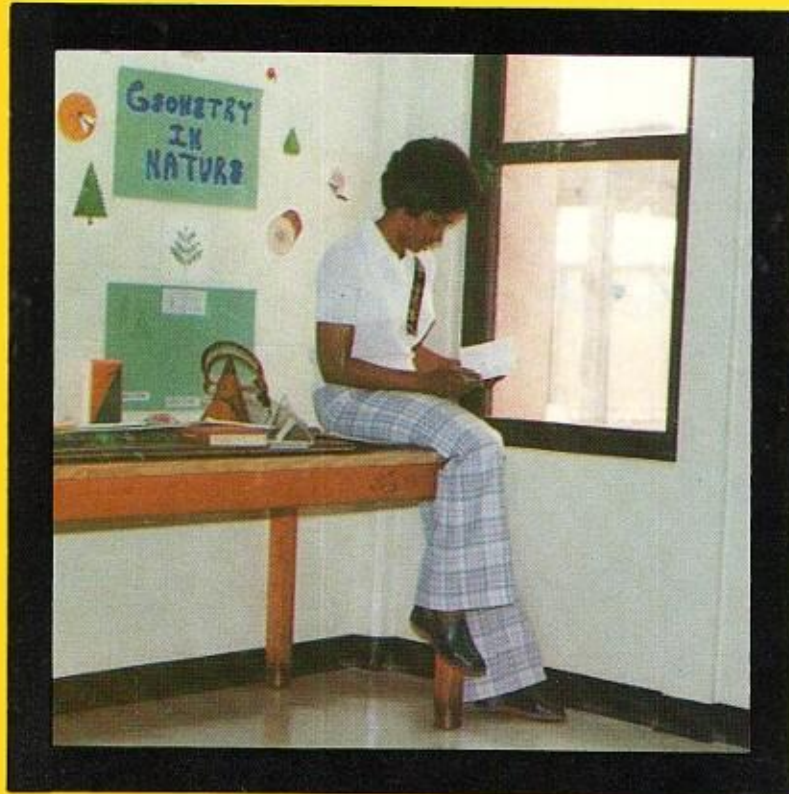

Broken hearts and faded dreams
 don't always mean that you're lonely
 You know how time passes slowly
 and so they say
 memories will never fade away.

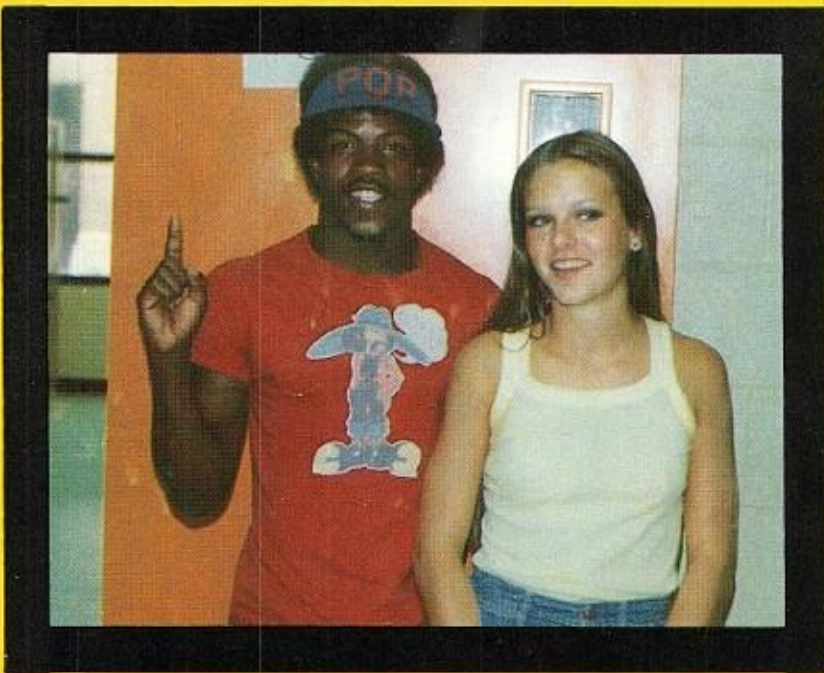

Teresa Ramsey

Winter, Spring, Summer or Fall
All you've got to do is call
And I'll be there, yes I will
You've got a friend.

Carole King

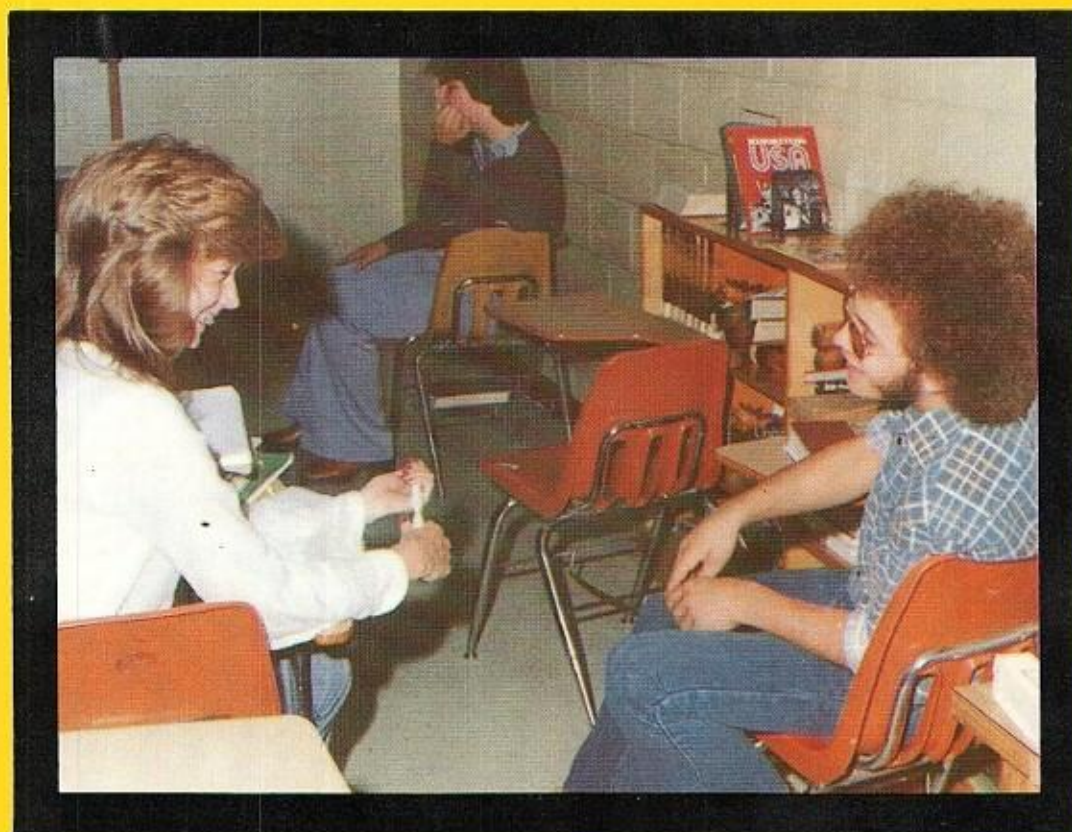

*Sweet,
 You are the most sweetest person
 I've ever known. Stay sweet and
 cool, may success follow you
 all three lives.
 Love You
 Victoria*

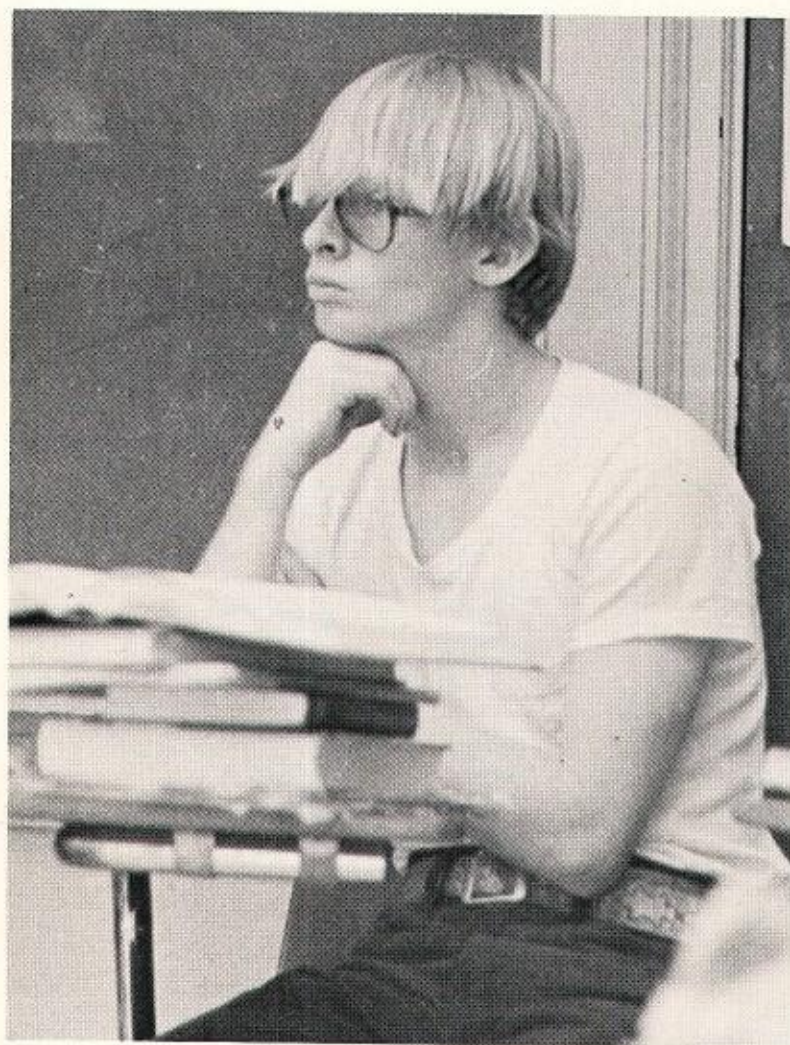

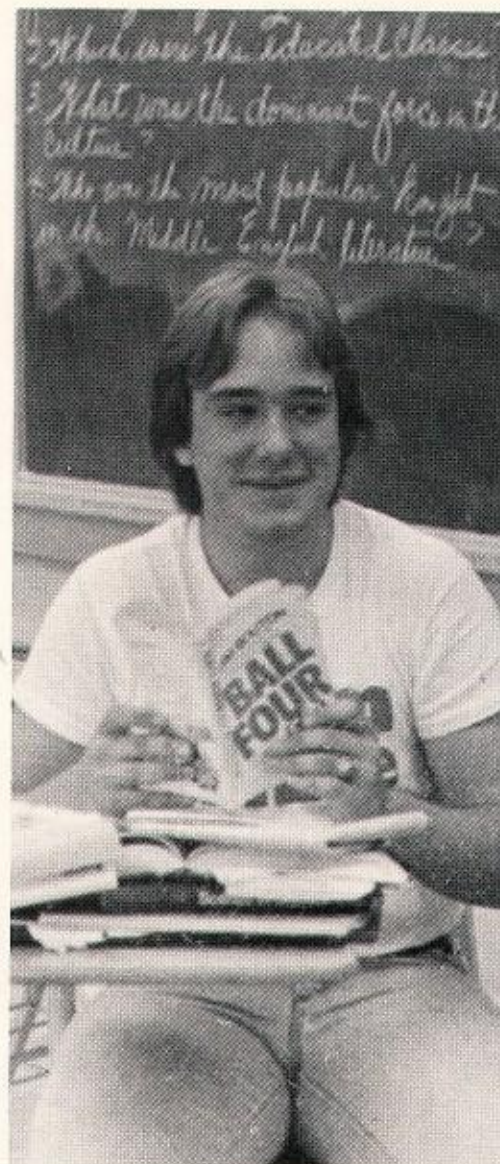

If today was not a crooked highway,
 If tonight was not a crooked trail,
 If tomorrow wasn't such a long time
 Then lonesome would mean nothing to
 you at all.

Bob Dylan

There is so much we want out of life and at WHS we searched for that something that would help us on our journey through life.

Miles from nowhere,
Not a soul in sight
Oh yeah, but it's alright.
I have my freedom,
I can make my own rules.
Oh yeah, the ones that I choose!

How could we forget the spirit filled days of Hillcrest week. This was the week where students searched for togetherness and found it. We became a student body searching for one cause. Excellence and pride. Through hard work and determination, we found both.

At WHS we looked forward to tomorrow while looking back on yesterday's memories.

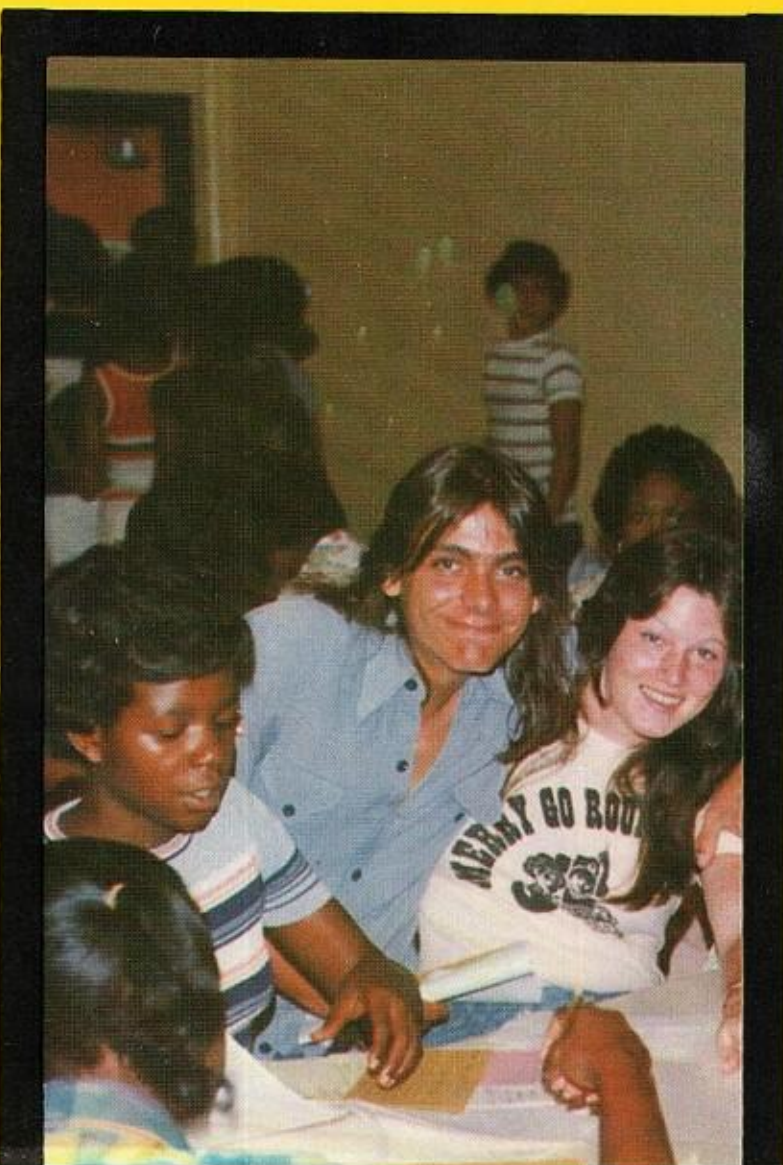

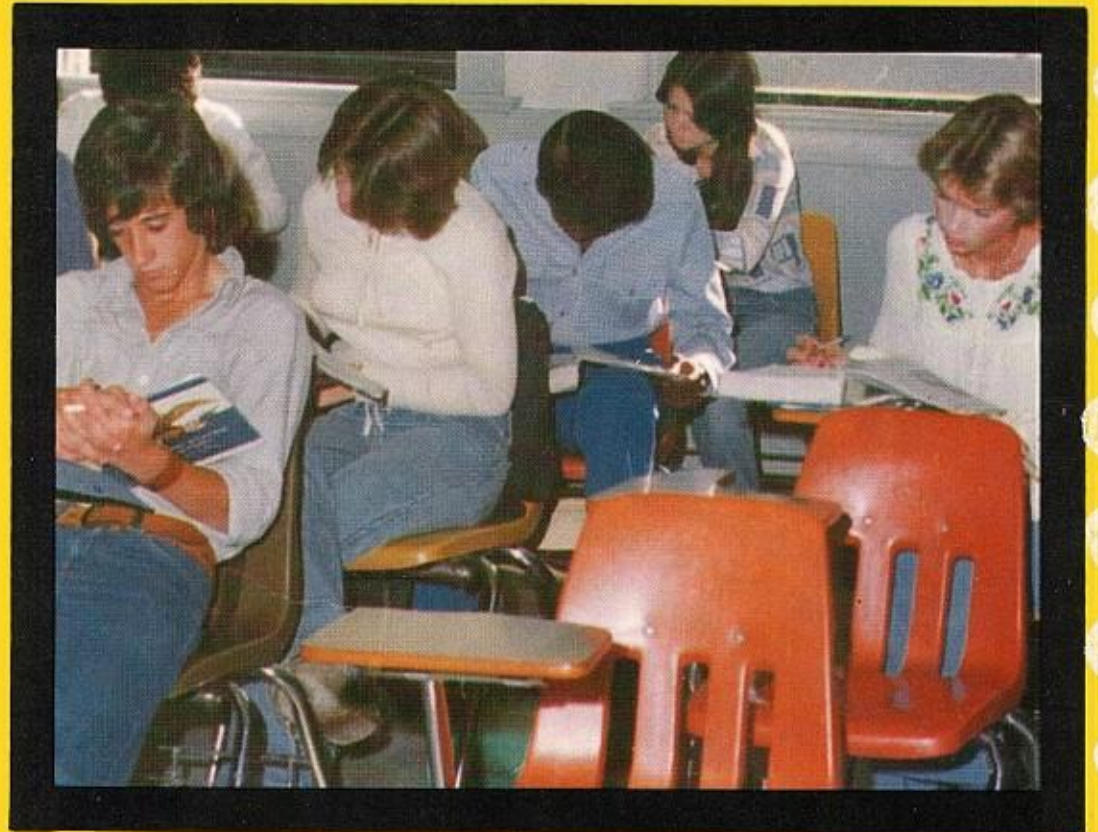

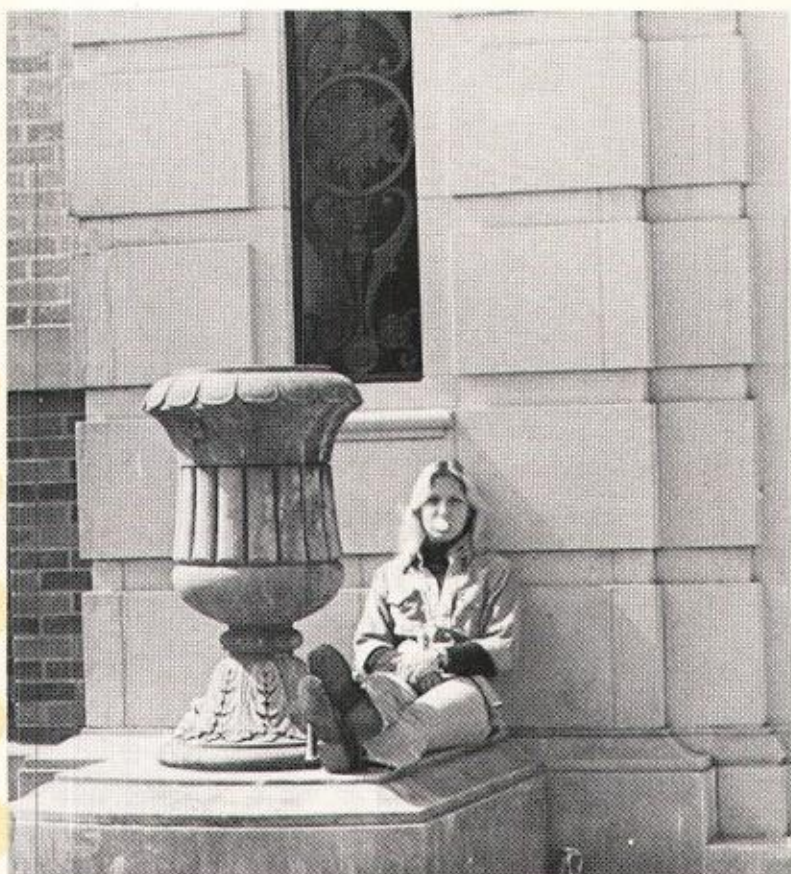

It seems to me a crime that we should age
 These fragile times should never slip us by
 It's a time we never can or shall erase
 As friends together watch their childhood fly.

Elton John

Spring is just a smile
 away
 Laughing at a summer
 day
 Turn around, look at
 fall,
 Winter hear my lonely
 call. John Prine

The good times are ending,
The work is about to begin.
As you begin, Remember this!
"GOOD, BETTER, BEST"
Never let it rest,
Until your GOOD is BETTER,
And your BETTER is BEST!!!

1977 Hall Of Fame

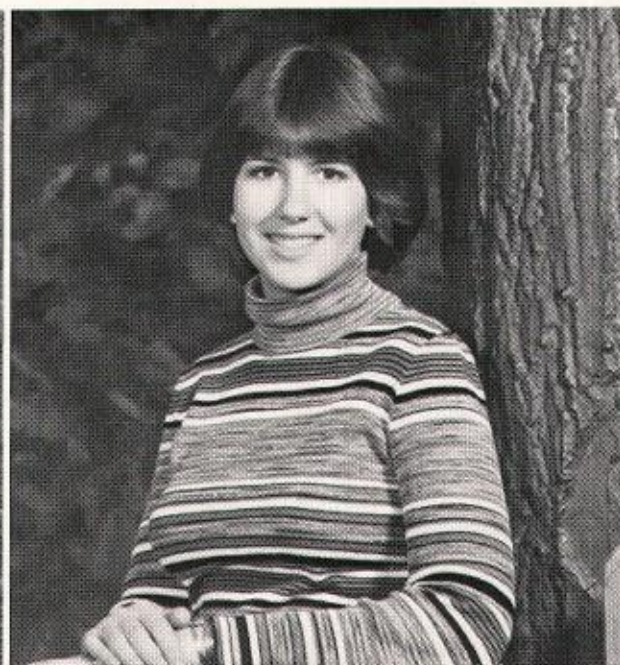

The 1977 Hall of Fame Honor Key Recipients are composed of thirteen seniors of Whitehaven High School. These students were selected on a point system which includes points for scholastic achievement, leadership, honor clubs, publications, R.O.T.C., music and band, special awards, athletics and drama.

Thirty students were selected on the basis of points earned in these categories. From the top thirty, it was narrowed to thirteen and these were the finalists for THE 1977 HALL OF FAME.

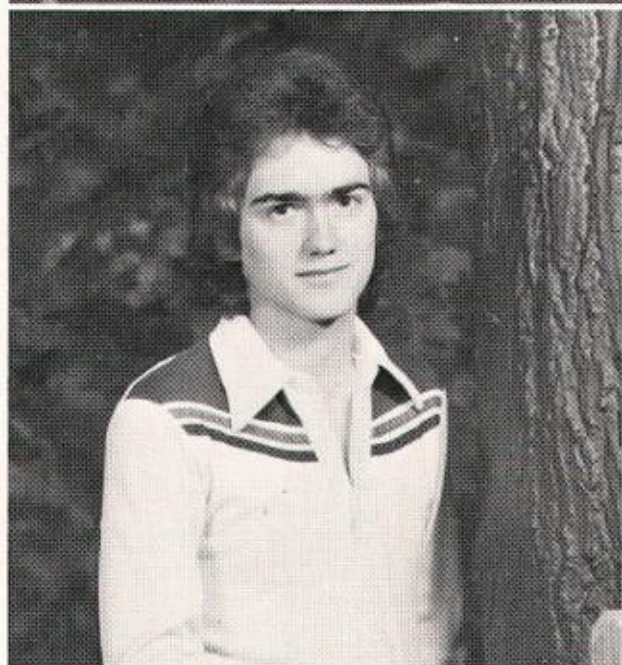

David Alchokhachi - David was active in many areas related to school. He was involved in Band, Beta, French and Key clubs. He was chosen "Most Attractive" of the Sr. Class.

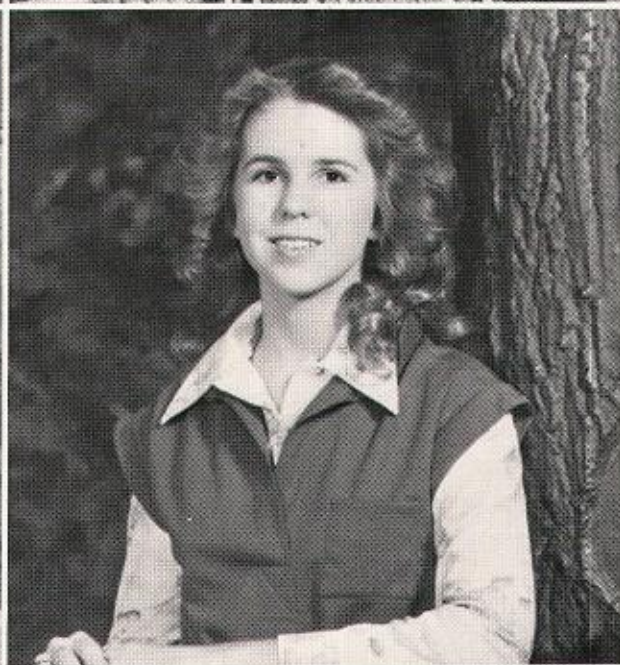

Marcie Brewster - Who will forget the signs during "Homecoming" which bore Vote Radical, Vote Marcie. Marcie was involved in many clubs and voted "Most Likely to Succeed."

Stan Churchwell - When some one said "Key Club," Stan was usually the one who said it. As president of the club he strived for many high ideals. Stan was also a strong leader in other school related areas.

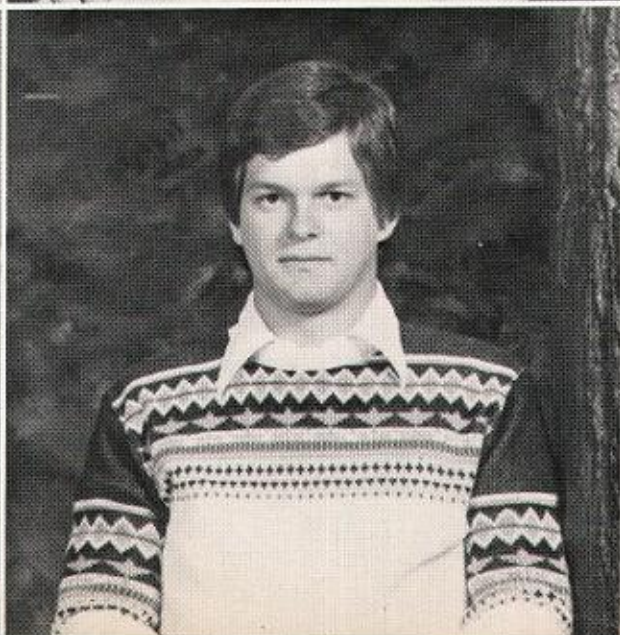

Karen Dalpini - Miss Whitehaven is well on her way to becoming one of the most remembered senior girls. She was third alternate in the yearbook queen contest and Key Club "Sweetheart."

Wanda Ester - Holding positions of leadership are what Wanda did best. She was Vice President of the Beta and F.T.A. Clubs, and President of the Library Club.

Brad Gardner - Football was what Brad did most, playing two years of varsity. He was involved in many clubs such as the Future Teachers of America, in which he held the office of President.

Honor

Keys

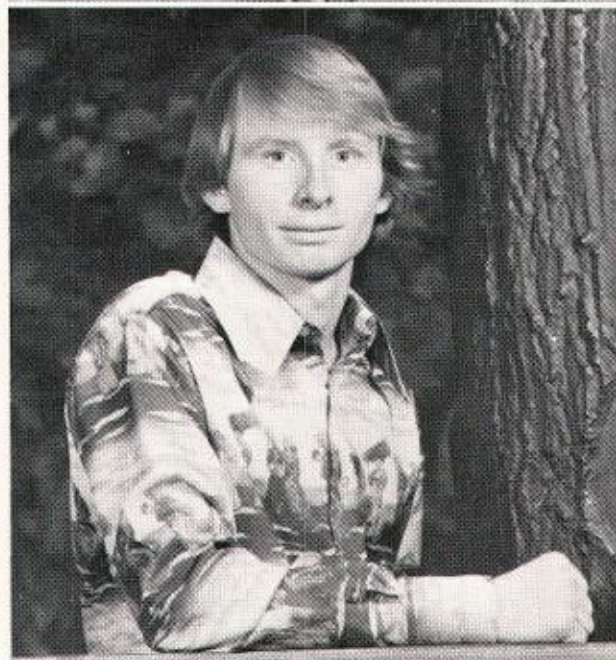

Wilford Glenn - As Student Council President and a member of the principal's Advisory Committee, Wilford tried very hard to make W.H.S. a better place to go to school. Wilford was also chosen "Mr. Esquire" by the Senior Class.

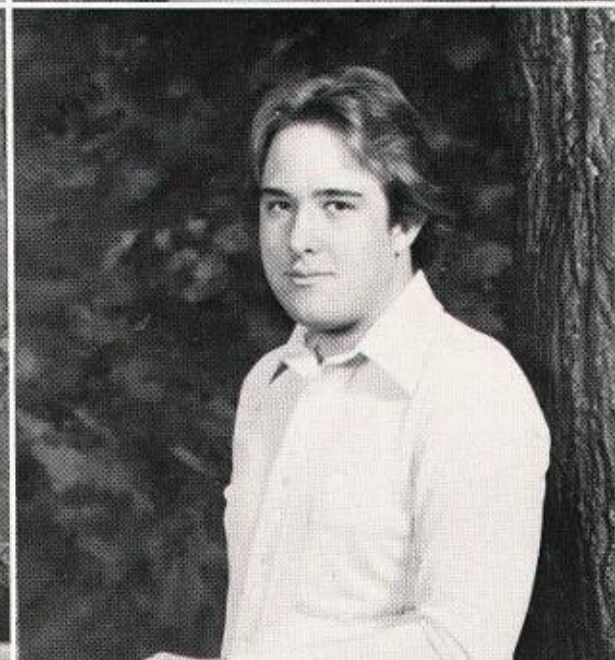

Charlton Jones - Being a page editor for the B'caster and school mascot kept Charlton very busy during his senior year. He was also chosen "Most Spirited" during his senior year.

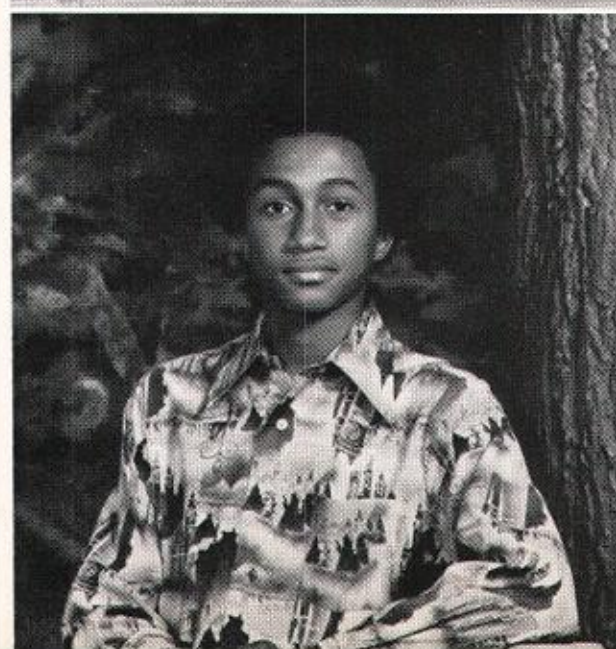

Rosemary Robinson - Cheering her team to victory has been Rosemary's favorite high school past time, as she has been a varsity cheerleader for three years. Rosemary was Vice President of the senior class.

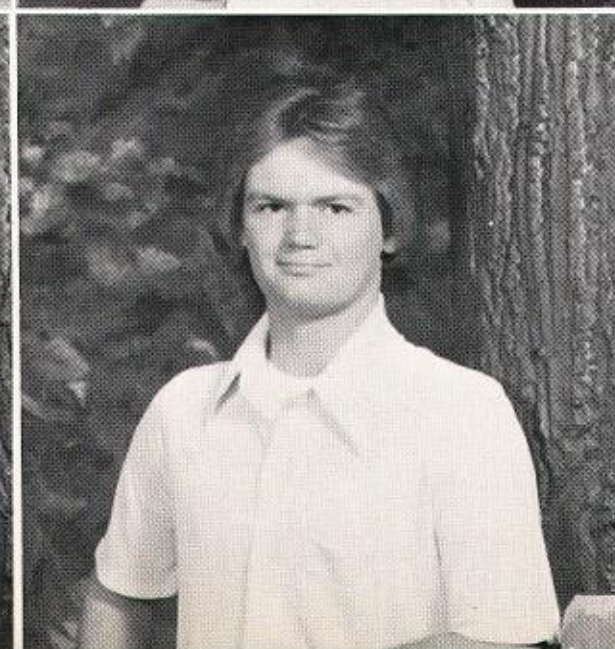

Steve Sides - Noted for his intelligence, Steve was inducted into many honor clubs, such as Key Club and Mu Alpha Theta. He was also a member of the Wrestling team.

Steve Steffens - Actor today and senator tomorrow is the description that fits Steve most. This is due to his involvement in Youth Legislature and Drama.

Bretran Thompson - "The place is The Hyatt" is what Bretran said most. As Senior Class President, he organized the prom at The Hyatt Regency. He was also the president of other organizations.

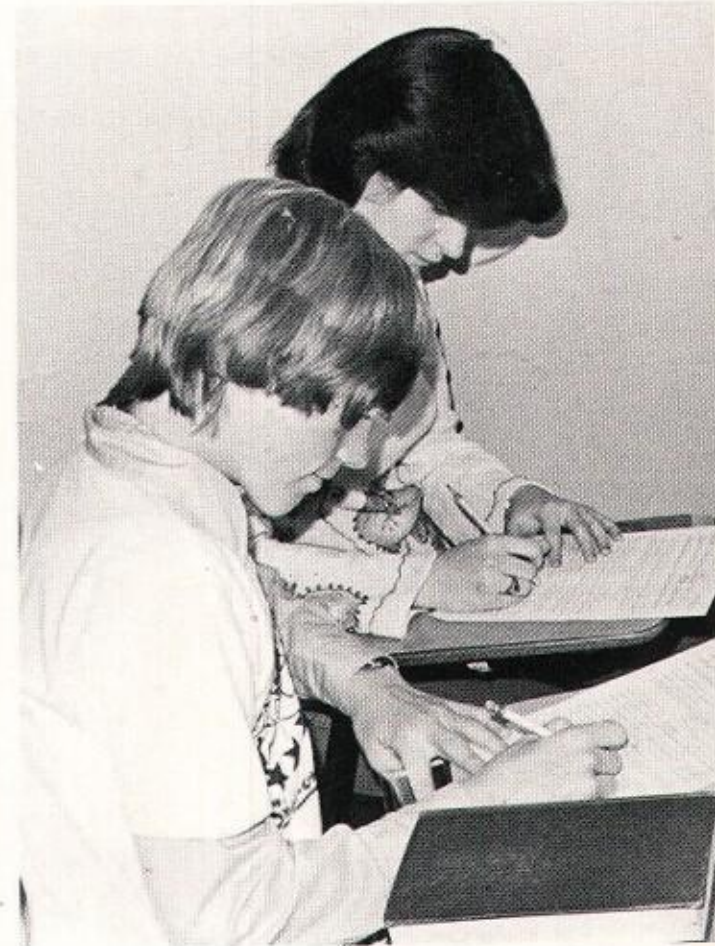

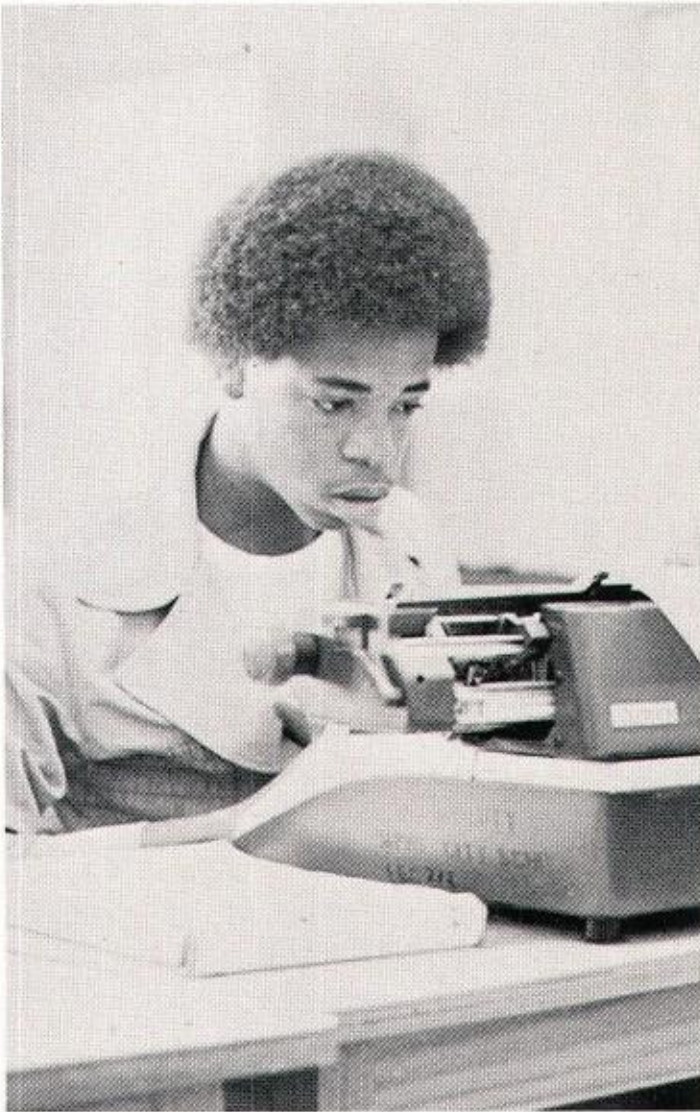

Darrell Uthe - Outstanding is a word which describes Darrell best. He has excelled in areas of Math, French and Swimming. He was also Valedictorian.

1977 Crossroads Staff

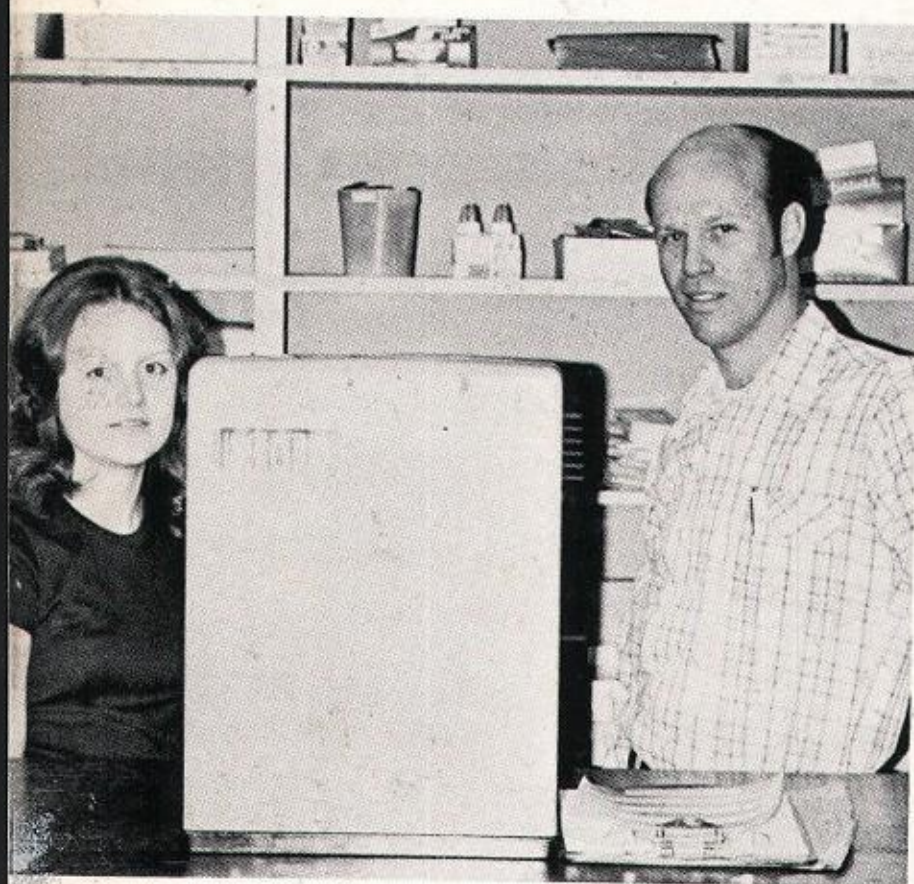

All annual staffs have trials and tribulations. There are many responsibilities to be met before deadlines are met. The Crossroads Staff had in addition, ice and snow, but through it all we met our goals.

There are many people who help with the production of a yearbook, the staff, the patrons, and of course the photographer. There is still one special person who encourages everyone and provides inspiration. On our staff that one person is Mrs. Joy Thompson. Her devoted time and effort in teaching what caring really is, enabled our staff to meet our expectations.

I wish the staff of '78 many happy days and sincerely hope that they will enjoy working with Mrs. Thompson as much as we have.

Remember, whatever road you search for in life, whether it is Togetherness, Honor or Excellence, hopefully you will find it. Keep the faith and continue your success.
